Moroccan Law

Donor Decree

Original Donor, I, watley, william-ray El; has proclaimed allegiance to the de jure State of Allodium Moroccan Praedium Ante Michigan and acceded to Moroccan Laws enshrined within its Constitution, in order to return to reclaim my ancestral estate as an heir to the Moroccan Empire (not to be mistaken for the Kingdom), in accordance with the provisions outlined in Article 15; Paragraph 1 of the Treaty of Madrid 1880 (Rights to Protections in Morocco); the Montevideo Convention on the Rights and Duties of States 1933; and the substantial erga omnes principles of International Law.

As original Donor, naturalized at birth under colonial jurisdiction, I granted to STATE OF MICHIGAN consent to form a trust account and be the trustee upon the time of my application for a STATE OF MICHIGAN issued birth account, ex rel., Certificate of Live Birth File Number 121-0068720; WILLIAM RAYEH WATLEY D.O.B. 7/24/1976; IMF SSN Trust Account Number 380-66-****.

The STATE OF MICHIGAN as Trust Holder then allowed the UNITED STATES Service Corporation to act as the Administrator of the trust assets in accordance with UNITED STATES's Law, such as the Securities Act of 1933; the Securities Exchange act of 1934; the Social Security Act of 1935; et al.

Lawful Age of Majority

Now, as the knowledgeable Donor of, I have returned to the UNITED STATES (DISTRICT OF COLUMBIA) and the STATE OF MICHIGAN to reclaim all reversionary interest pertaining my birthright and the trust res as a living true heir to the Moroccan Empire through a de jure Moroccan State Government having resurrected Consular Courts now withstanding competency, capacity, and Uti Possidetis jurisdiction to govern the affairs and Estates of the its Nationals within its territory according to International Lawand affirmed in the France vs. United States decision of the International Court of Justice of 1952.

De-Nationalized

Born an autochthonous indigenous Moroccan-Moor, I was De-Nationalized at birth, then Naturalized under the UNITED STATES Naturalization Act of 1870, as a "Stateless Moroccan Subject", i.e., UNITED STATES 14th Amendment Citizen into

the Foreign Colonial jurisdiction of the United States of America and the UNITED STATES, i.e., DISTRICT OF COLIMBIA.

Trading with Enemy's Act 1917

Acting Plenipotentiary in lieu of the United States of America, the UNITED STATES, i.e., DISTRICT OF COLUMBIA, under executive Military order, enacted the Trading with Enemy's Act 1917, classifying stateless Moroccan Subject as enemies of the State thereby vesting all of our allodial ownership interests into Cestui Que Vie Trusts. Furthermore, requiring that applications and licenses be obtained for only feudal use of the Trust Res. Lands that were once Donated for use to the United States of America for amity and commerce were then entrusted for true Moroccan heirs.

Law Merchant

Then through the enforcement of "Law Merchant" Schemes enshrined and enacted within corporate state statutes and codes, they usurp and escheat the Estates of the unknowledgeable donors and beneficiaries which are the true heirs of the Vast Moroccan Empire.

Such geocidal acts of De-nationalization also in directly violate the Treaty of Peace and Friendship of 1786; 1836; the treaty of Madrid of 1880 Rights to Protections in Morocco; treaty of fez

Plenipotentiary Power

The UNITED STATES Federal Service Corporation, i.e., the District of Columbia, and their instrumentalities, such as The STATE OF MICHIGAN, the COUNTY OF WAYNE, and the CITY OF DETROIT, etc., operate as an International Organization/Military-Industrial Complex doing business as Plenipotentiaries in lieu of the United States of America, but are still subject to the binding contractual International Treaty agreements and obligations in which the United States of America is a contracting party.

The UNITED STATES Service Corporation, i.e., the District of Columbia holds legal title interest over the Trust Res until the Donors, i.e., true Heirs and beneficiaries with full competency and Jus Sanguinis Birthright return to reclaim their Estates;

Jus Sanguinis, born by blood an aboriginal Moroccan of the per-existing of the *Moroccan Empire*; being of lawful age of majority with full competency, I hereby duly affirm to the following:

1. I am a surviving consanguinity heir apparent of the late ancient Moabites (modernly known as Moroccans) from the land of Moab who receive permission from the great pharaohs of Kemet to settle and inhabit the north west-Alkebulan Amexem. They were the founders and are the true possessors of the present Moroccan empire with their Canaanite, Hittite, and Amorite brethren. Who themselves sojourned from the land of Canaan seeking new homes. Their dominions and inhabitation extended from north east and south west Alkebulan (Africa) across the great Atlantis Island before the great earthquake, which caused the great Atlantic Ocean.
2. My political status and class as of December 25, 2022 is Moroccan State Official for a Provincial Moroccan State Government; Allodium Moroccan Praedium Ante Michigan, who in which, in line with their right to self-determination, through a Declaration of Independence and the ratification, deposit, and promulgation of their Constitution, has returned to the Empire of Morocco in accordance with the Treaty of Madrid 1880 [Article 15, Paragraph 1]; the Montevideo Convention on Rights and Duties of States; and erga omnes principals of International Law.
3. Although my Moabite/Moroccan ancestors may have died intestate, their heirs retain reversionary interest in the all the lands and resources, and trade routes of the Moroccan Empire at Maghrib al Aqṣà Northwest Amexem (North America), Southwest Amexem (South America), central Amexem (central America) and the adjoining islands which foreign Anglo-Saxon colonists presently occupy and operate as the United States of America, UNITED STATES i.e., DISTRICT OF COLUMBIA exercising feudal (Feud-Al= war on Moors) law as citizens of the UNITED STATES CORPORATION under the expired (50) year mandate i.e. the "treaty of peace and friendship of 1836" (in force 1837) between the United States of America and Empire of Morocco.

   As Nationals of the Allodium Moroccan Praedium Ante Michigan, our rights enshrined in the Treaty of Peace and Friendship of 1786 Article 22 and in accordance with the international law prevision of the Treaty of Madrid 1880, Montevideo Convention of 1933, United States Charter 1945, and the presiding decision of the International Court of Justice Court case France vs. United States of America of 1952, we are competent to make claim to our inherited ancestral ESTATE and the reversionary interest as the surviving rightful heirs apparent which is been held in trust *de facto* by the foreign cooperate STATE OF MICHIGAN (INC.) UNITED STATE and the United States of America's having capitulary jurisdiction over former Moroccan subjects in Morocco.
